## ABOUT ME

With nearly eight years of experience as a Full Stack Developer, I have built a solid foundation in modern web technologies and problem-solving. While I occasionally paused my professional journey to prioritize my studies, those breaks enriched my perspective and strengthened my commitment to excellence. I bring persistence, adaptability, and a passion for creating efficient, user-focused applications, always striving to deliver my best and keep growing as a developer.

## EXPERIENCE

**php full stack**

**2017 – now**

- I'm a PHP Full Stack Developer with eight years of experience building projects of all sizes—from personal experiments to large business applications. Driven by curiosity and passion, I continually refine my skills and embrace new technologies to deliver high-quality, impactful solutions.

**MEVN Stack**

**2020 – Now**

- I began working with the MEVN stack in 2020. Although I haven't always had as much time to dedicate to it as I'd like, I've remained committed to learning and sharpening my skills. I'm passionate about mastering this technology and applying it to build modern, high-quality web applications.

## EDUCATION & INTERESTS:

**Cairo University – Faculty of Archaeology,  
Department of Islamic Archaeology**

Graduated this year with a Very Good overall grade. My studies provided a deep understanding of Islamic art, architecture, and heritage preservation.

During this period, I also pursued my passion for learning foreign languages, improving my proficiency in English, French, Spanish, and Russian. In addition to my academic work, I gained practical experience as an archaeological restorer, contributing to the preservation of important historical sites and artifacts. These experiences strengthened my attention to detail, problem-solving skills, and appreciation for cultural heritage—qualities I bring to all my professional projects.

## LANGUAGES

**Arabic:** native language

**English:** English: Upper Intermediate (B2),  
fluent in professional communication.

**French:** French – Intermediate (B1 level)

**Spanish:** A2 (Elementary)

**Russian:** A1 (Beginner)

## EDUCATION & INTERESTS:

**Nubaria Military Secondary School**

Graduated with an 82% grade, which allowed me to join Cairo University's Faculty of Archaeology as my first choice. There, I learned the value of discipline and began my programming journey as a Front-End Developer.
